LETTER OF AGREEMENT
Between
FEDERAL EXPRESS CORPORATION
and
THE AIR LINE PILOTS
in the service of
FEDERAL EXPRESS CORPORATION
as represented by
THE AIR LINE PILOTS ASSOCIATION, INTERNATIONAL

#### Implementation and Transition

This Letter of Agreement is made and entered into in accordance with the provisions of Title II of the Railway Labor Act, as amended, by and between FEDERAL EXPRESS CORPORATION (hereinafter referred to as the "Company") and the pilots in the service of FEDERAL EXPRESS CORPORATION, as represented by the AIR LINE PILOTS ASSOCIATION, INTERNATIONAL (hereinafter referred to as the "Association").

WHEREAS, the Company and the Association wish to provide for orderly implementation of the basic Agreement.

NOW, THEREFORE, the Company and the Association agree as follows:

The basic Agreement shall have a general effective date of July 31, 2023. The Association and the Company shall work together to develop necessary provisions for transitioning from the current work rules to the basic Agreement. Items described in the attached Appendix A shall be implemented on the schedule set forth therein, unless otherwise agreed to by the parties.

This LOA is effective on July 31, 2023 and shall remain in full force and effect concurrent with the basic Agreement.

IN WITNESS WHEREOF, the parties hereto have signed this Implementation and Transition Letter of Agreement.

# Appendix A Implementation Appendix and Timeline

This Appendix sets out the timeline upon which each of the identified changes in the Tentative Agreement will be implemented following ratification.

The timeline is divided into four phases. Rows highlighted in grey have no underlying automation requirements. The parties have attempted to list all the required changes, recognizing that the Agreement itself is the "full and complete agreement between the parties." The date listed for each phase is a date beyond which the Company would be in violation of the Agreement if it has not implemented the change.

DOS – Effective date of the Agreement, July 31, 2023.

Phase 2 –Implementation of these items will be effective the first day of the December 2023 bid period.

Phase 3 – Implementation of these items will be effective the first day of the August 2024 bid period.

Phase 4 – Implementation of these items will be effective the first day of the November 2024 bid period.
